

CIS385 PROJECT PART2

Due On Mon, May 22 or Wed May 24 In Class
Project Part2: 50% of project grade

NOTE: You should have completed CIS385 PROJECT PART1 Sections 2-7

The objective of the CIS385 course project is to develop a dynamic portal website having PHP/database login/logoff functionality , session validation and a cookie-based shopping cart/check-out functionality.

Define or create the following web pages for your website:

WEB PAGE NAME	DESCRIPTION
login.html	Allows user to enter userid and password to view website. This is the default web page. It has a link to the registration page.
logon.php	Validates user's credentials. Upon success redirects to index.html otherwise redirects to login.php page with an invalid login error message.
login.php	login.php page with an login error. It has a link to registration page.
registration.html	Users can register by providing a first, last name and email address. Redirects to login.html
index.html	Home page. This is the entry-point of your application.
products1.html	Category 1 with 3 items
product1Item1.html	Item1 has its own page. Add to Cart link
product1Item2.html	Item2 has its own page. Add to Cart link
product1Item3.html	Item3 has its own page. Add to Cart link
products2.html	Category 2 with 3 items
product1Item1.html	Item1 has its own page. Add to Cart link
product1Item2.html	Item2 has its own page. Add to Cart link
product1Item3.html	Item3 has its own page. Add to Cart link
aboutus.html	Provide the names of your group members.
contactus.html	Email Contact form
cart.html	Displays the web cart application.

	Allowing the user to see the total cart value. Item quantities can be updated or deleted all together.
checkout.out	Displays a "Thank you for shopping note". And A continue shopping link.

SESSION VALIDATION

None of the pages should be visible to the user unless the user has a valid user name and password. The only pages the user should be able to see without registration are the login.html, login.php and registration pages.

PROJECT PART2 DELIVERY

Project must to be delivered in person by one of the group members during final week
